Nanango State School will receive

\$287,366*

This funding will be used to

- Increase the percentage of Year Three students in NAPLAN upper two bands (U2B) to 60% or above in reading in 2020.
- Increase the percentage of Year Three students in NAPLAN upper two bands (U2B) to 30% or above in numeracy in 2020.
- Increase the percentage of Year Five students in NAPLAN upper two bands (U2B) to 30% or above in reading, numeracy in 2020.
- Increase the percentage of Year Three and Year Five students achieving NAPLAN National Minimum Standards (NMS) to 100% in reading and numeracy in 2020.
- Increase student achievement (C or above) to 100% in English, Maths and Science in 2020.
- Improve teacher capability through targeted, professional development and support to directly impact student outcomes in English, Maths and Science.

Our initiatives include

- Enhancing teacher capability through **instructional coaching**, walkthroughs, observations and feedback, to ensure teachers are supported to deliver highly effective, consistent pedagogical practice, maintaining a focus on delivering our school-wide pedagogical framework.
- Improving the consistency, capability and collaboration of teachers and teacher aides to effectively support and lift student performance in reading through **highly differentiated reading blocks** using four and eight lesson sequences and commence making the links to writing practice in the school.
- Improving student learning outcomes by implementing targeted early years speech support programs.
- Enhancing teacher capability to successfully analyse student data on a short cycle basis in order to inform successful, timely, data-driven actions in response to individual student needs in English, Maths and Science.
