Dear Parents and Carers,

The books and equipment listed are the basic requirements for the 2017 school year at Nanango SS. Additional items may be required as the year progresses. Parents, please clearly print your child's name on all of the books and equipment before they are brought to school. Please ensure items purchased are of good quality as many of the items are required to last an entire year.

Student Workbooks
As a school we choose not to use text/work books as part of our teaching practice. We do this because we believe that workbooks too often become busy work and are completed simply because they appear in the book, not because they are the best learning activity for students. This allows teachers to target the individual learning needs of students and access a wide range of resources for teaching and learning, some being photocopies of relevant activities but also multimedia and other electronic resources such as websites and alike.

Reams of Paper
As parents are not required to pay the significant cost of text books (upwards of $25 per child) the school asks parents to help us offset the increased photocopy burden the school has taken on by supplying one ream of copy paper per child per semester. (2 for the entire year) Please ensure the paper is of 80gsm weight and of good quality. Thank you for your support in this.
If you have any questions concerning books or equipment for your child please don’t hesitate to contact the school.
